TENUTO MINI | **Getting Started**

Usage: Apply lube to both Tenuto Mini and your penis. Turn Tenuto Mini on, twist & stretch the front outwards and place it on the head of the penis. Once aroused, slide it down the penis shaft so it sits at the base. Experience powerful vibrations on the penis and stimulate your partner during intercourse.

Hold for 2 sec to turn on **Bluetooth**

Single-press to **Decrease Intensity**

Double-press to change to **Previous Vibration**

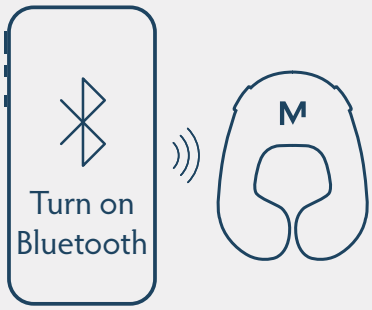

Hold for 2 sec to **Turn On/Off**

Single-press to **Increase Intensity**

Double-press to change to **Next Vibration**

Charging: Connect the USB wire to the port on the top of your Tenuto Mini and the other end to any USB plug for power. The light on Tenuto Mini will blink amber to indicate charging. When the light turns green, charging is complete. Charge for 60 minutes before use.

App: Download the free MysteryVibe App from the Apple App Store or Google Play. Connect and use the App as a remote control for your Tenuto Mini. Download different vibration patterns or create your own.

FDA-registered Class II therapeutic genital vibrator (21 CFR § 884.5960, Product Code KXQ). Not intended to diagnose, treat, cure, or prevent any disease or condition
